3. Official entry forms, fees and Participants Questionnaires

Due to a large number of preliminary entries the very last dead line for Official Entry Forms and fees is May 31.

Therefore we strongly encourage that Participants send The Official Entry Forms and entry fees well ahead of the deadline.

The deciding factor of acceptance to competition is the date of receiving the payment in our account (not the date of wire transfer).

Entries after the deadline may subject to reduction of the number of participants or may be rejected. Acceptance will based upon the priority of entries and subject to receiving payment.

Bank: BANK BPH SA O/RADOM
